SEEING THE LIGHT

Siblings David and Sierra always put a great deal of thought into how they can wreak havoc; from jumping off the roof to breaking all the dishes in the kitchen. In the name of fun, these two will stop at nothing. They do whatever they want, whenever they want, never considering the outcome. Until one day their whole family sees the light. This light is their only hope of gaining some type of normalcy. All they have to do is accept it. Will they choose the light, or will they continue spiraling out on control with their crazy antics?
