Kifani is a Swahili word that means a similar thing, that which matches, a fellow, parallel, a match, an equal. Kifani Press | Kifani Works was founded by sister-duo Ashley Foxx Davis and April Foxx in 2012. We curate and create books, resources and professional development for a diverse group of kids and classrooms.

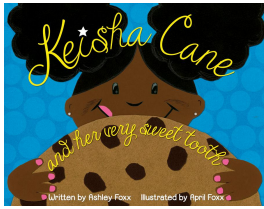

Our Values: Faith, Creativity, Kindness

Our Mission: Kifani Press | Kifani Works strives to inspire a love of reading through great books, literacy resources and educational experiences. We hope to always use our talents in service of others.

What We Do: We are passionate about literacy and education. We have three areas of focus: children's book publishing, children's book selling and educational consulting.

Our Motto: At Kifani Press | Kifani Works we create, curate and educate.
