**Transform your future with
Memphis Public Libraries,
Coursera and Grow with Google.**

Memphis Public Libraries, in collaboration with Coursera, is thrilled to offer a **Free Google Career Certificate Scholarship Program**. This incredible initiative provides you with the chance to earn valuable Google Certificates at no cost!

Whether you're looking to break into tech or advance your career, this program offers comprehensive online training in high-demand fields. With scholarships covering the cost of Google Certificates, you can gain industry-recognized skills and become job-ready — without any prior degree or experience required.
